## And we're back with a bang!

What a start to the new half term it has been! Staff had INSET on Monday focussing on developing pupil voice throughout the curriculum so watch this space for a 'Spotlight on ... [subject]' which will be a new, informative part of the newsletter intended to give you insight into the subjects taught in school. First up ... History!

Tuesday saw the return of many excited children. We welcomed parents / carers into EYFS for Stay & Play and KS1 participated in amazing immersive launch days ...

Y2 launched their theme with the Cheadle Heath Cafe where they sampled breakfasts from around the world and identified the continents the food had come from. They tried lots of different foods, some they loved and some they definitely didn't! They later created edible art by painting food colourings diluted in milk onto lightly toasted bread. As well as eating food, they have also been talking about where food comes from. All the food we eat comes from plants or animals in one way or another so Y2 have been planting to compare how food grows under the ground (potatoes) to over the ground (lettuce) and see what the similarities and differences are between the two types of plants through observations in science. We love science!

Y1 had a fantastic start to Spring Term 2 too and were very excited to launch their 3<sup>rd</sup> theme 'Paws, Claws and Whiskers' with a visit from Animal Club. Hannah brought with her a few of the 25 animals she owns including beetles, geckos, snakes and a rabbit. The children (and staff!) thoroughly enjoyed holding and stroking each of the animals and finding out about each species. As you can see, everyone is excited for their new theme!

As it is a new half term, it is time to refocus on **POSITIVITY**. In my role I regularly talk to children about their emotions and am always keen to stress that there aren't any 'bad' emotions. Guilt, sadness and anger all have a valuable part to play in what makes us human and we learn that we can accept negative emotions and process them in a healthy way. We talk a lot in school about the fact that our brains are capable of changing and, to encourage this growth mind-set, we use the phrase 'I can't do it YET.' So, do encourage your child to try new activities and develop new skills. Talk to them about their strengths to increase their confidence and positive attitude. Helping others, being kind, recognising and appreciating moments of happiness all feed positivity and shared positivity can have an even greater impact. So, laugh together, hug and do things that spark joy in order to develop positive thinking and improved mental health.

## World Book Day 2024

World Book Day is coming soon - Thursday 7<sup>th</sup> March - and we are having a whole school author theme: Anthony Browne! We will be hosting a vocabulary parade during the afternoon to showcase our DIY costumes so children are invited to create a tabard to show off their chosen word and can either decorate it with things linked to their word or can come dressed as their word. If you would like some large paper please let your child's class teacher know and we can supply it. So, get your thinking hats on and pick a "juicy" word that will not only make for a fun and unique costume, but also one that others might not already know.

**Note: Nursery will be participating on Tuesday 5<sup>th</sup> March**

## Earrings Reminder

As we start the new half term, I want to send a reminder out about the Stockport & National Policy on the wearing of earrings in PE lessons and for extracurricular physical activity. As a maintained school, we MUST act in line with employer guidance/policy which is as follows:

### Personal effects, including jewellery:

- All personal effects should be removed.

### Earrings:

- Pupils unable to remove earrings for the first 6 weeks of a new piercing, are required to make them safe by taping, front and back, which may offer a measure of protection, but must be able to remove them after the 6 weeks has lapsed. The taping should be sufficient to prevent the stud post penetrating the bone behind the ear should an unintentional blow be received (e.g. from someone or from equipment such as a ball).
- Please note:
  - Taping is not suitable in any activity where contact with either another person or equipment is highly likely to / will occur e.g. invasion games, dodgeball
  - Taping cannot be used when swimming & all earrings should be removed
  - Taping may be done at home for younger children or prior to the lesson for older pupils. Staff are not required to remove or tape earrings for pupils.

## Family Physical Challenge

We invite you to take part in the 'Play to Paris' family challenge. This event invites you and your family to take part in a physical competition from home! You and your family will work together to achieve 60 x 30 minute blocks of activity in a race against other families in the Stockport community. All families completing the 'race' will receive an award and the top 3 families will receive extra prizes of sporting equipment. Now, our families have been the winners for the last two years so let's see if we can maintain our winning streak! ## Nursery September 2024

There is still time - until 31<sup>st</sup> March 2024 - to apply for a Nursery place for your child at Cheadle Heath Primary School. If your child was born between 1<sup>st</sup> September 2020 to 31<sup>st</sup> August 2021, please [APPLY HERE](#). We will be able to offer a limited number of 30-hour places for eligible families. These are allocated on a first come, first serve basis. If you require, and are eligible for, a 30 hour place you must provide your 30-hour code with your application form. To find out more about childcare options available to you please visit Stockport's Family Information Service. **Please note, we ARE NOT having an Easter intake in Nursery.**

We will be hosting a prospective families open morning for Nursery on Monday 4<sup>th</sup> March between 10 – 11am where you and your child can come to Nursery and stay & play so spread the word ...

## Parents' Evening

Our second Parents' Evening of the year are taking place on Tuesday 26<sup>th</sup> and Wednesday 27<sup>th</sup> March. We will be having a book share in the hall on Monday 25<sup>th</sup> March from 2pm until the end of the day where you can come into school and look through the work with your child. Booking for Parents' Evening will be live through the school spider app or via the Parent Area of our website from 6pm on Monday 18<sup>th</sup> March. Please note:

- if you are having a SEND meeting with your child's teachers and Mrs Vallance, you do not need to book a separate parents evening
- appointments are for parents / carers only

*Have a great weekend,*
