Level 3 sporting success 2015 - 16

The Greater Manchester School Games aims to further revive the culture of competitive sport in schools. This exciting concept harnesses the power of the Olympics and Paralympics and is designed to motivate and enthuse more young people than ever before to participate in high quality, meaningful competition within and across schools, supporting them in achieving their own personal best in sport and in life. The competition runs across three distinct, but integrated levels (see below) providing a simple and progressive pathway that will allow young people from across the ten boroughs of Greater Manchester to compete in local level intra and inter school competition, culminating in a multi sport festival (level 3) that showcases the very best of competitive sport across the County. Teams from Primary, Secondary and Special Schools won the right to compete in the Level 3 Games having qualified through local level 2 inter-school competitions and our teams represented the borough in gymnastics.

Greater Manchester Winter School Games
15.03.16

Our Y1/2, Y3/4 and Y5/6 gymnastics teams qualified through the local borough competitions to represent the borough in the 2016 Greater Manchester Winter School Games. A total of 18 gymnasts from Y2 – Y6 represented our school, and borough, on 15.03.16 in the key step gymnastics competition. The Key Step Gymnastics programme was produced to provide a simple competition structure that combines basic movement and agility skills in a fun, friendly and progressive way. The children competed against nine other North West boroughs - Manchester, Rochdale, Oldham, Bolton, Bury, Wigan, Trafford, Salford and Tameside. All our gymnasts scooped podium places for all teams -

- **1st place** to the Y5 / 6 team
- **1st place** to Y5 / 6 individual competitor
- **8th place** overall to the Y3 / 4 team
- **6th place** overall to the Y1 / 2 team

11.11.14

Ten Y5 / 6 pupils represented the school at the Winter Olympics at the Chill Factor, competing against primary and secondary pupils from the ten neighbouring boroughs of Manchester, Rochdale, Oldham, Bolton, Bury, Wigan, Trafford, Salford and Tameside. The children took part in a range of activities throughout the day including a skiing relay, timed tubing, luge and sledging, the climbing speed wall challenge and the new target game. Each individual team aimed to get the fastest times, be awarded the most points and win in the relay. There were bronze, silver and gold medals awarded to the top 3 schools with a trophy to the overall winner. Individual talent was also awarded to those who excelled on each individual activity.

We scooped the following trophies:
